1. Cookies

The user consents to and authorizes the use of cookies.

This website uses Google Analytics, a web analytics service provided by Google, Inc., a Delaware company with its main office at 1600 Amphitheatre Parkway, Mountain View (California), CA 94043, United States ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website will be transmitted to and stored by Google on servers in the United States. Google will use this information on our behalf for the purpose of tracking your use of the website, compiling reports on website activity, and providing other services related to website activity and internet usage. Google may also transfer this information to third parties when required by law or when such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the processing of data or information by rejecting the use of cookies through the appropriate settings on your browser; however, doing so may limit the full functionality of this website. By using this website, the user consents to the processing of information about them by Google in the manner and for the purposes set out above.

Types, Purpose, and Functioning of Cookies on [Womeninfusion.org](https://womeninfusion.org)

Cookies can be classified by their duration as either session cookies or persistent cookies. Session cookies expire when the User closes the browser. Persistent cookies expire once their purpose is fulfilled (e.g., keeping the User logged into the website's services) or when manually deleted.

- **Registration Cookies:** These are generated once the User has registered or logged in and are used to identify them in the Services for the following purposes.
- **Analytical Cookies:** Each time a User visits a Service, a tool from an external provider (specifically Google Analytics) generates an analytical cookie on the User's device. This cookie, created only during the visit, will be used in future visits to anonymously identify the visitor. The main objectives are:
 - To allow anonymous identification of browsing Users via the cookie (identifying browsers and devices, not individuals), enabling approximate visitor counts and trend analysis.
 - To anonymously identify the most visited and attractive content for Users.
 - To determine whether the User is a new or returning visitor.

2. How to Disable Cookies in Major Browsers

It is usually possible to stop accepting cookies from a browser or from a specific service.

All modern browsers allow cookie settings to be changed. These settings are typically found in the "Options" or "Preferences" menu of your browser. You can also configure your email client or install free add-ons to prevent web bugs from being downloaded when opening an email.

Here is guidance for accessing cookie settings and private browsing in major browsers:

- Internet Explorer: Tools → Internet Options → Privacy → Settings. For more information, consult Microsoft support or the browser's Help section.
- Firefox: Tools → Options → Privacy → History → Custom Settings. For more information, consult Mozilla support or the browser's Help section.
- Chrome: Settings → Show advanced options → Privacy → Content settings. For more information, consult Google support or the browser's Help section.
- Safari: Preferences → Security. For more information, consult Apple support or the browser's Help section.

3. What Happens if Cookies Are Disabled?

Some functionalities of the Services will be disabled, such as staying logged in and receiving location-based information.

4. Updates and Changes to the Cookie Policy

[Womeninfusion.org](https://www.womeninfusion.org) may modify this Cookie Policy to comply with legal or regulatory requirements or to adapt it to instructions issued by the Spanish Data Protection Agency. Users are advised to review it periodically. Significant changes will be communicated to Users either via the website or by email to registered Users.
